Heatherwood Construction Co.*

Praised for being a steward in the building industry, Walter Crawford, president and CEO of Heatherwood Construction Company, was recently named Builder of the Year by the Collier Building Industry Association (CBIA).

In addition to his service to the CBIA, Crawford was commended for his dedication and professionalism throughout a career dating back to 1989, when he graduated from the M.E. Rinker Sr. School of Building Construction at the University of Florida and began his career in Southwest Florida.

Crawford, who worked for several of the region's top construction

companies before acquiring Heatherwood Construction, was called "a respected, trusted friend and consensus builder" by CBIA leadership.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
