Heatherwood Completes Port of the Islands Marina Renovations

NAPLES, Fla. (Oct. 8, 2007) –Heatherwood Construction has completed renovation of the Port of the Islands Marina, located at 525 Newport Drive in Naples.

The project included a complete overhaul of the building’s exterior and interior. The builder installed new walls, wood floors and ceilings in the marina’s Ship’s Store and offices. Heatherwood also converted a storage area into retail space to accommodate increased customer demand. The new Ship’s Store is part of a larger expansion, which also includes the addition of new boat slips.

Hector Vidal of Heatherwood Construction was the senior project manager, and Greg Little was the job superintendent. Architectural Edge Inc. provided architectural design services.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more. For more information, visit www.HeatherwoodConstruction.com or call (239) 949-6855.
