Heatherwood Construction to Renovate Port of the Islands Marina

NAPLES, Fla. (March 19, 2007) –Heatherwood Construction has been selected to renovate Port of the Islands Marina at 525 Newport Drive in Naples.

Heatherwood will install new walls, wood floors and ceilings in the marina’s Ship’s Store and offices. Heatherwood also will convert storage space into additional retail floor space to accommodate increased customer demand.

Architectural Edge Inc. will provide architectural design services.

Hector Vidal of Heatherwood Construction will serve as senior project manager, and Greg Little will serve as job superintendent. Construction is expected to be complete in June 2007.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more. For more information, visit www.HeatherwoodConstruction.com or call (239) 949-6855.
