Walter Crawford Appointed to Big Cypress Wilderness Institute Board

BONITA SPRINGS, Fla. (March 7, 2007) – Walter Crawford, president and chief executive officer of Heatherwood Construction Co., has been appointed to The Big Cypress Wilderness Institute (BCWI) board. The BCWI is part of the Associated Marine Institute Inc., a non-profit organization dedicated to helping troubled kids grow into responsible, productive citizens through a combination of motivational courses, counseling and academics.

Through the BCWI, at-risk youth work on environmental projects at Big Cypress National Preserve. The BCWI's goal is to rehabilitate juvenile offenders by meeting each student's individual needs and encouraging each student to remain in an educational environment.
