**Heatherwood Construction Completes Design Parc
Infrastructure Construction**

ESTERO, Fla. (April 16, 2007) – Heatherwood Construction has completed the infrastructure at Design Parc at 9201 Corkscrew Road in Estero.

The 10-acre site is the future home of a 100,000-square-foot shopping center located across from the new 55-acre Lee Regional County Park.

Scott Whiteleather of Heatherwood Construction served as senior project manager, and Pete Estrada served as job superintendent. Matthew DuBois of Banks Engineering provided civil design services.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
