Heatherwood Construction Completes Old Naples North Phase III

NAPLES, Fla. (April 26, 2007) – Heatherwood Construction has completed the construction of Old Naples North Phase III for the Barron Collier Companies. It is located at 10560 Goodlette Frank Road at the intersection of Immokalee Road in North Naples.

The project included construction of a 60,000-square-foot Class A two-story self-storage building containing 440 units. The building is built with block, steel, wood trusses, a concrete tile roof and a pre-fabricated interior partition system. Heatherwood Construction has built all three phases of the project, which includes a total of 1,142 storage units.

John Augeri of Heatherwood Construction served as director of construction, Scott Whiteleather served as senior project manager, and Joe Poulin served as job superintendent.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
