

FOR IMMEDIATE RELEASE

Heatherwood Starts Construction on Port of the Islands Marina

NAPLES, Fla. (April 2, 2007) –Heatherwood Construction has begun renovations on the Port of the Islands Marina, located at 525 Newport Drive in Naples.

The scheduled project includes installing new walls, wood floors and ceilings in the marina's Ship's Store and offices. Heatherwood also will convert storage space into additional retail floor space to accommodate increased customer demand.

Architectural Edge Inc. provided architectural design services.

Hector Vidal of Heatherwood Construction is serving as senior project manager, and Greg Little is serving as job superintendent. Construction is expected to be complete in June 2007.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
