

FOR IMMEDIATE RELEASE

Heatherwood Construction Begins Construction of the Lupolover Building in Cape Coral, FL.

Bonita Springs, FL (May 27, 2008) – Heatherwood Construction has begun construction and site work of the Lupolover Flex Building in Cape Coral, FL.

Located at 1925 NE 10th Terrace in Cape Coral, FL., the 6,400 square-foot building consists of four – 1,600 sq ft tenant spaces ideal for flex or mixed use and is conveniently located behind BJ’s Wholesale Club and Pine Island Road.

Scott Whiteleather of Heatherwood Construction is the senior project manager, and Dave Lister is the job superintendent. Aqua-Terra Dynamics, of Cape Coral, provided engineering and architectural design services for the project.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Marco Island to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
