## **Heatherwood Construction Completes 'Page Field Center' Renovation- Ft Myers, FL.**

Fort Myers, FL (July 1, 2008)- Heatherwood Construction has completed construction and renovations at the "Page Field Center" plaza located at 5020 S. Cleveland Ave in Ft Myers, FL.

Located at 5020 S. Cleveland Ave in Ft Myers, FL., the 36,000 sq ft "Page Field Center" building will feature Chuck-E-Cheeses as the main tenant, occupying 14,500 sq ft.

A groundbreaking ceremony was held in April to mark the beginning of the project with city officials, real estate professionals, and media representatives present. The project is an important part of the city's redevelopment effort. The project qualified for a landscaping grant awarded by the city in an effort to beautify the property to city standards.

Scott Whiteleather of Heatherwood Construction is the senior project manager, and Joe Poulin is the job superintendent. McHarris Planning & Design, of Bonita Springs, provided architectural design services.

Based in Bonita Springs, FL, Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Marco Island to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
