## **Heatherwood Construction Selected to Build Palm Pavilion**

FORT MYERS, Fla. (Aug. 20, 2007) – Heatherwood Construction has been awarded a contract to build Palm Pavilion, an office and warehouse complex located at 16558 San Carlos Blvd. in Fort Myers. The project developer designed the complex to meet an increasing demand for commercial space.

The two-story, 40,400-square-foot building will have 14 office and warehouse suites on the first floor and 16 office suites on the second floor. Suites are approximately 1,500 square feet each.

Scott Whiteleather of Heatherwood Construction is the senior project manager, and Joseph Pollin is the job superintendent. Alliance Design Group, P.A. provided architectural design services.

Based in Bonita Springs, Fla., Heatherwood Construction Company is a full-service commercial general contractor serving Southwest Florida since 1980. The company provides complete construction turnkey services to clients from Naples to Sarasota including site search and selection, feasibility analysis, site development, value engineering, vertical construction and more.
